Nourishing Candlelight Massage Oilixir

Candlelight Dinner? Delicious... no question, but tonight I feel like something different: Dimmed lights, flickering candles, an indulgent scent and gently caressing massaging touches...

The nurturing Evening Primrose and Avocado Oil and the luxuriously rich and moisturizing **MIGLYOL® 829 ECO** blend splendidly on your back and legs, creating the right atmosphere for a relaxing massage with long playtime. **SOFTISAN® 645** forms a protecting film and cares for your skin during and after the massage,

when sleeping restfully. This **Nourishing Candlelight Massage Oilixir** is oh so caring! Enriched with the water-light **MIGLYOL® 8810 ECO**, the generous care still retains a sense of lightness.

Let your body, mind and soul unwind and savor your evening!
