# Delicate Delight Body Concentrate

Your skin wants the extra care? Quite simple, with the **Delicate Delight Body Concentrate**.

**WITARIX® MCT C8** provides the first WOW moment in the morning. Initially, the sensorial oil feels richer and transforms into a smooth, light and silky feeling as it gets absorbed. Paired with the lightweight and skin moisturizing **MIGLYOL® T-C7** and the gentle, anti-oxidant-rich cotton seed oil, this concentrate cares well, also for delicate body areas.

The fresh, gender-neutral scent and the herbal humulus (hop) extract instantly turn this formula into a family favorite.

Tip: Apply the oil concentrate on still wet skin for extra fast absorption.
