Dearest Day Face Oil

Dearest day, be good to me!

Every day offers new possibilities and the chance to become wonderful. In addition to external circumstances, we ourselves can also contribute a lot to experiencing the day as beautiful. With a mindful attitude and concentration on the good things in life. And we should start with that right in the morning! Self-care can increase the well-being in our own body and the **Dearest Day Face Oil** is the perfect start to the day.

The moisturizing emollient **MIGLYOL® Coco 810** and the velvety **WITARIX® MCT 70/30**, make the skin feel light & silky and ensure that the oil

is quickly absorbed by the skin. The gentle rose-hip oil and wild rose fragrance caress the senses, while the eucalyptus extract interacts with the formulation to provide a rosy and fresh complexion.

This water-free formulation can also be used as an alternative to a daily moisturizer. Slightly moisten your skin and massage the oil with circular movements.
